Just a little bit more interest
In other folk's welfare,
Just a little greater showing
That really you do care.

Just a little more kindness
To those you meet each day,
And a little greater effort
To aid them on their way.

Just a little more determined
To do the best you can,
To help some other fellow
And prove a friend to man.

Just a little bit more sunshine
Along life's weary road,
Just a little bit more ready
To ease another's load.

Just to work a little harder
For other people's good,
And to show a bit more friendship–
THAT'S OUR FRIEND, MR. HOWARD WALL

The yearbook staff wishes to
dedicate this volume of the Darda
to you, Mr. Howard T. Wall

Oh! I have slipped the
Surly bonds of earth,

And danced the skies on laughter-silvered wings;

Sunward I've climbed
and joined
The tumbling mirth

of sun-split clouds--
and done
a hundred things

You have not dreamed
of--wheeled and
soared and swung

High in the sunlit
silence.

. . . . .Hov'ring there
I've chased the shouting
winds along and
Flung my craft through
footless halls of air.

Up, up the long delirious, burning blue

I've topped the wind-
swept heights

with easy grace,

Where never lark, or
even eagle flew;

And, while with silent, lifting mind I've trod the high untrespassed sanctity of space,

Put out my hand, and touched the face of God.

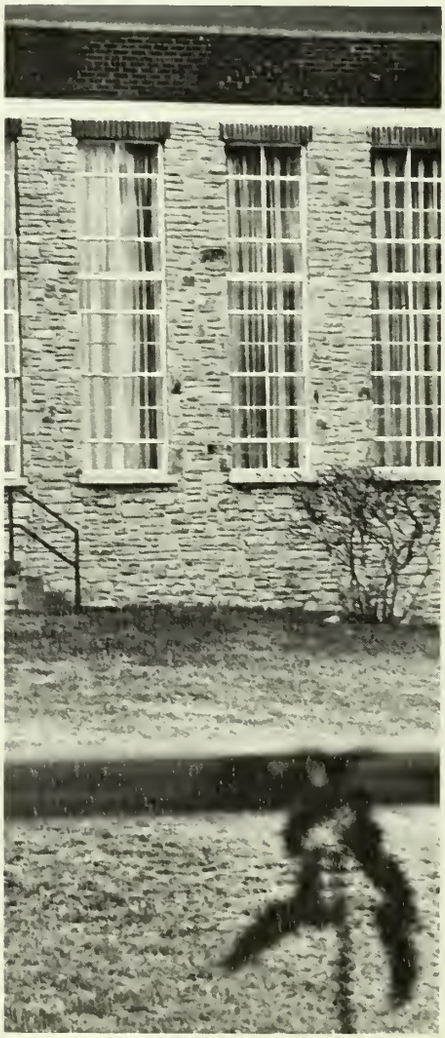
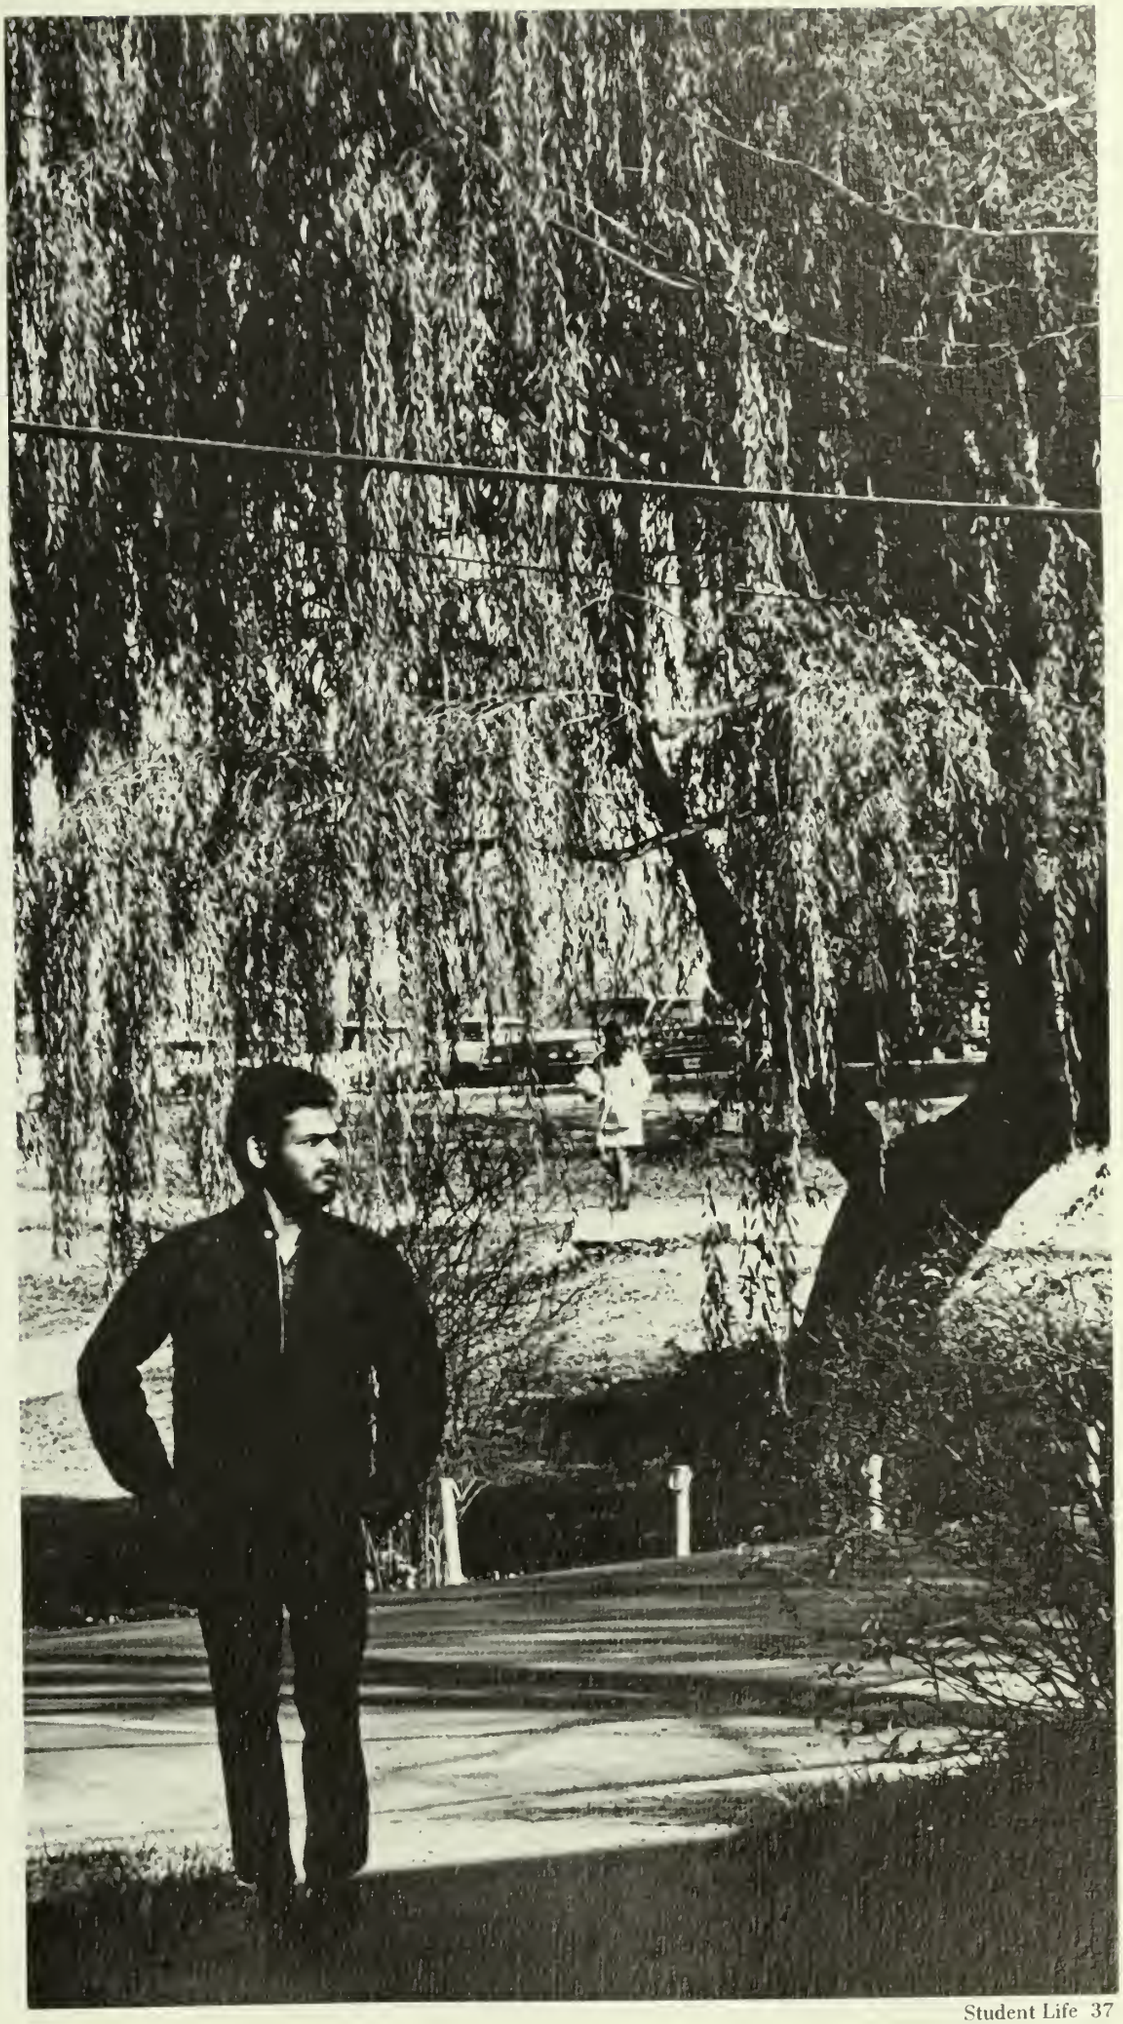
NO PARKING

As we rise from the brown of the earth and soar into the blue, we break the morning silence with vociferous cries. In this student life section we hope to chart the flight of you the student through the vast unknowns of this year as it has unfolded. Upward and onward we glide until this aspect of the flight comes to an end. Our desire is to entertain you with reminiscence of this year's student life.





STUCO RETREAT CREATES BETTER UNDERSTANDING

Administrators, faculty, Student Council and class and club officers met early in fall quarter at Montgomery Bell Park. Questions were answered; plans, ideas, and suggestions for the coming year were discussed. Through this series of meetings a new relationship developed.

Freshman Recognition Week

Fall Revival 1971
Dr. George Coulter,
Speaker.

LET THE WHOLE WORLD KNOW

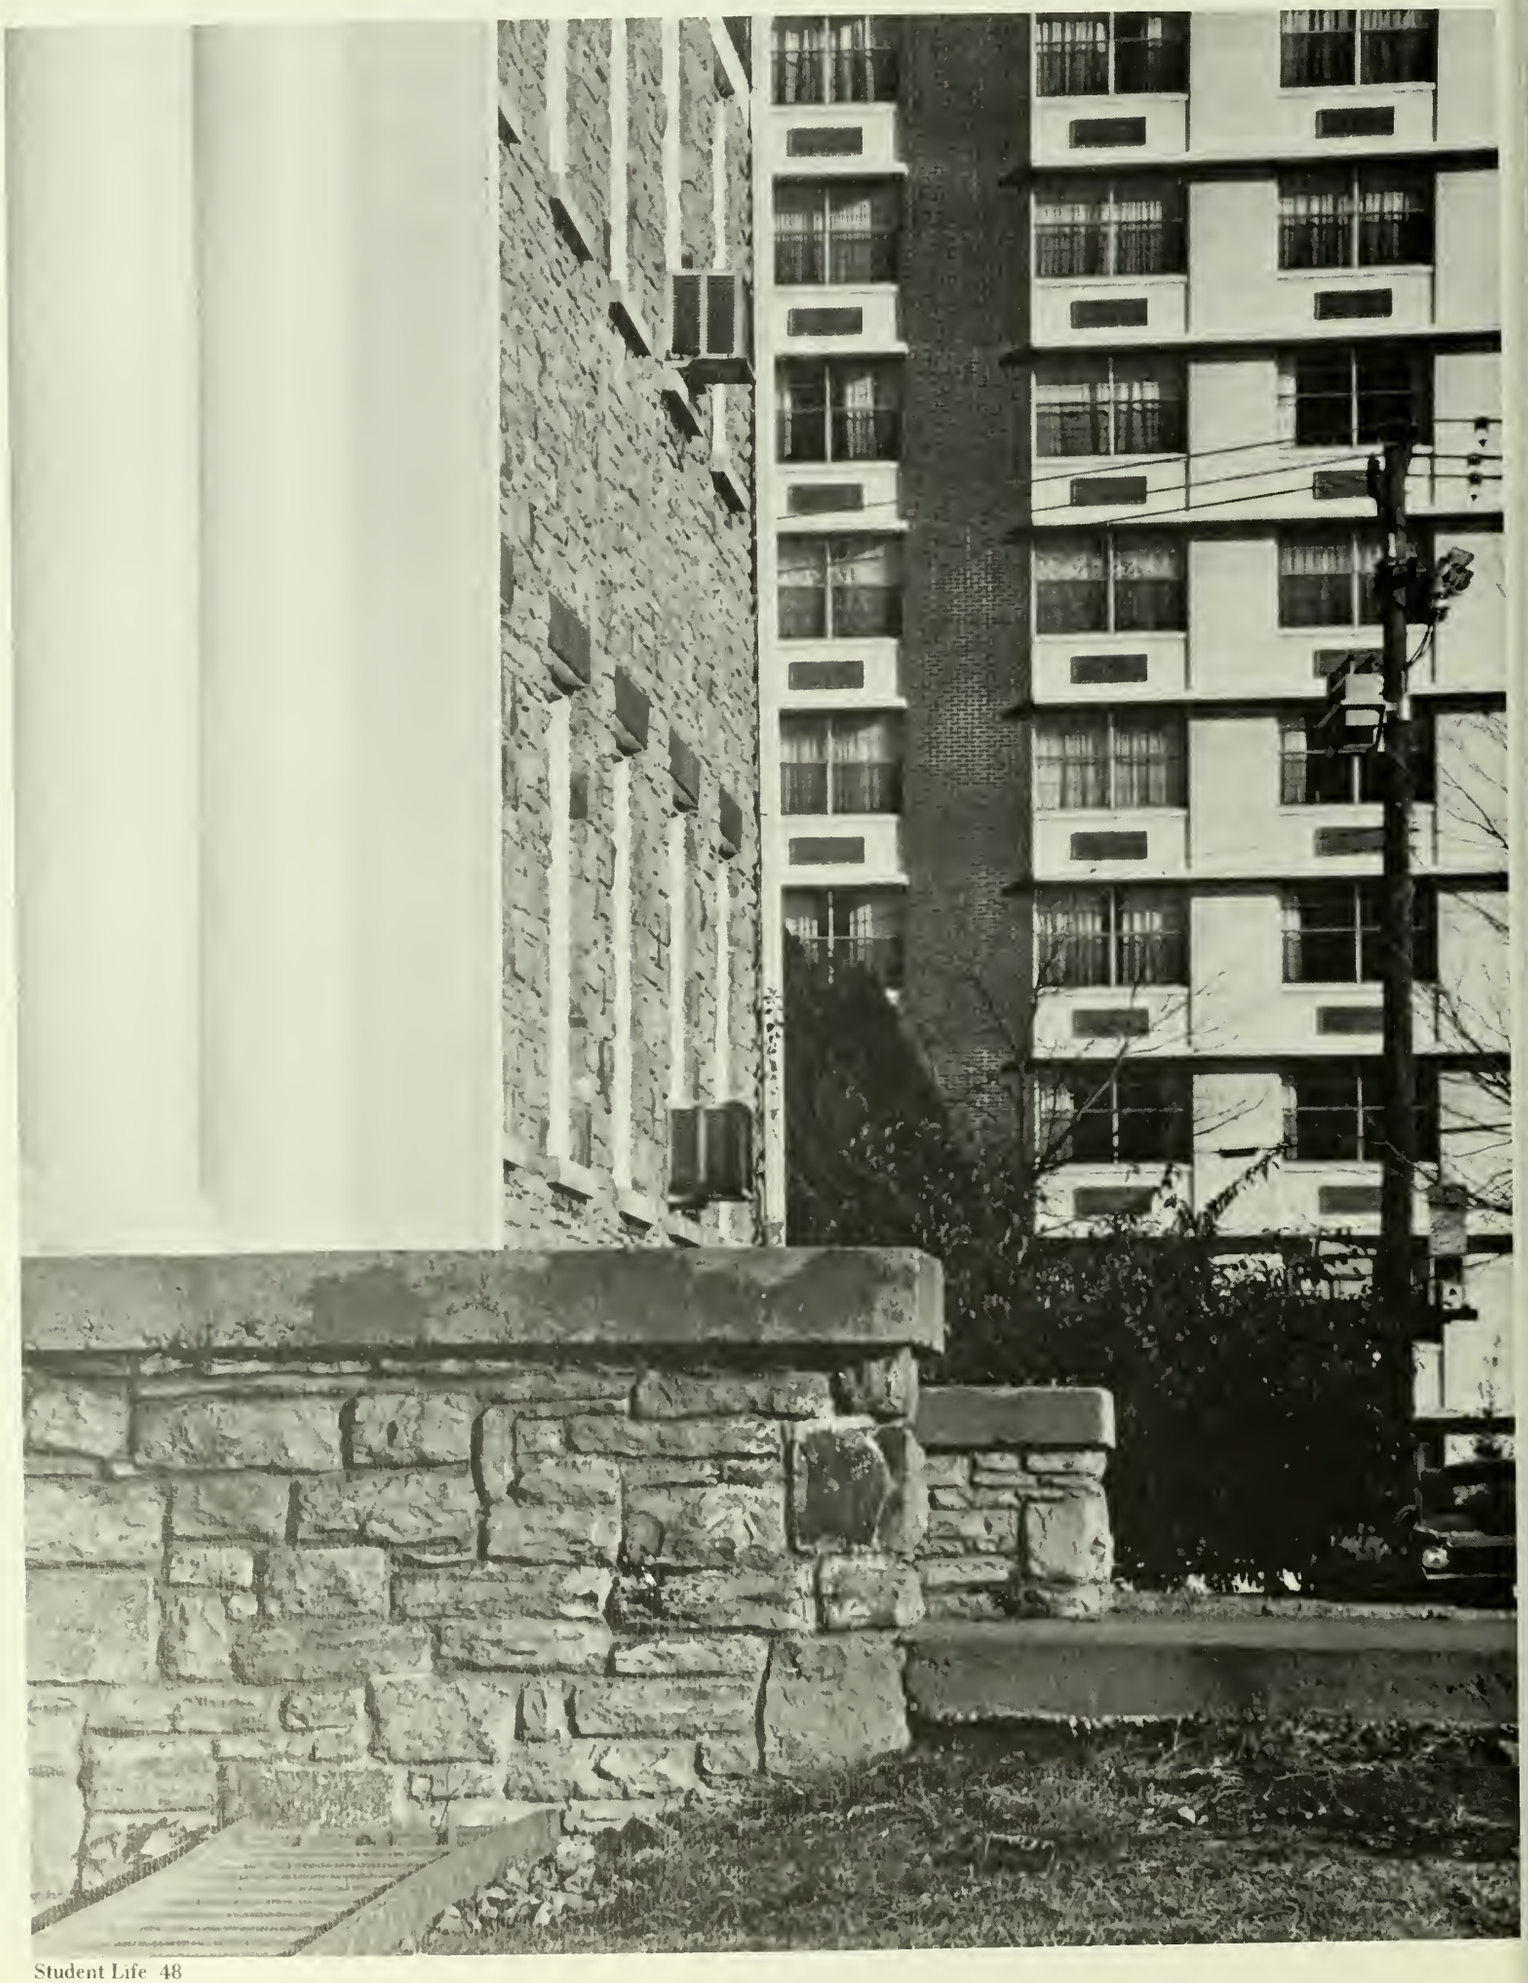
Long hours of hard work and planning by TMF resulted in the unique 10th annual Missions Convocation. Chapel services, luncheons, interviews, periods of interaction, and a pizza smorgasbord all were opportunities in which students could become better acquainted with these challenging workers.

The speakers this year were very relevant because they helped us to see that there is a job to do. It is not necessarily a job on a foreign field, but it may be a job right here at home. "For in Christ new life we found"– our job is to share this new life.

Franklin Cook, son of missionary parents to India, spoke as a representative from the administrative area of missions. He is currently Administrative Assistant to Dr. E. S. Phillips in the World Missions Office. Having served as a nurse in New Guinea, Miss Miriam Mellinger could relate experiences from foreign lands as well as those here at home. Presently, she is emergency nurse at a construction site at the Kansas City International Airport. Rev. & Mrs. Howard Hampton now serve as superintendent to the Central-Latin American District. They have worked in New York with the Spanish speaking people.

These persons not only shared Christ in a far away place, but also they have shared Him at home. "Others need Him, too." Do we dare to let the world know– the whole world.

EXIT



V. I. P. Days

High school juniors and seniors become the guest of Trevecca students each year as they experience their first weekend of college life. Students from across the educational zone meet to become acquainted with Trevecca. These are busy days as the students visit classrooms and chapel, learn about our college, make new friendships, and share with us in our daily activities. This experience for some will help to make the decision—whether to attend college or not. Trevecca the "something extra" college offers a "something extra" education for those who make the decision to attend.

Circle K Pledges Restore To TNC Campus The Spirit Of The Fifties.

The Spurlows Entertain In Sunday Afternoon Concert

THOSE WERE THE DAYS

Homecoming and Founder's Day combine to create a festive weekend on the school calendar. A bonfire, a pep rally, an open house, the dorm displays, the alumni, the naming of the new apartments, wreath laying ceremony, a basketball game, a concert, and the crowning of the homecoming queen were all highlights of the memorable occasion.

Many new faces were seen on campus by TNC students during this weekend. But to those new faces, Trevecca was not new. They were the alumni who had returned to visit their Alma Mater and to join in with the present TNC generation to honor its founder J. O. McClurkan and to observe the new look of the Trevecca Campus. For some many changes have occured since their days on campus.

An important part of the Founder's Day chapel service was the naming of the new apartments built to house married students. These two apartments were named The T. J. Shingler and The M. E. Redford Apartments. The Redfords served as outstanding educators at Trevecca for many years. Mr. Shingler was the founder of the South East Nazarene College which merged with Trevecca in 1918.

Trevecca has come a long way since those early days with J. O. McClurkan. We, as the present generation of the Trevecca family, will attend homecoming in the future. What new buildings and new faces will we see? Without a doubt Trevecca will continue to grow and change and continue its new look.

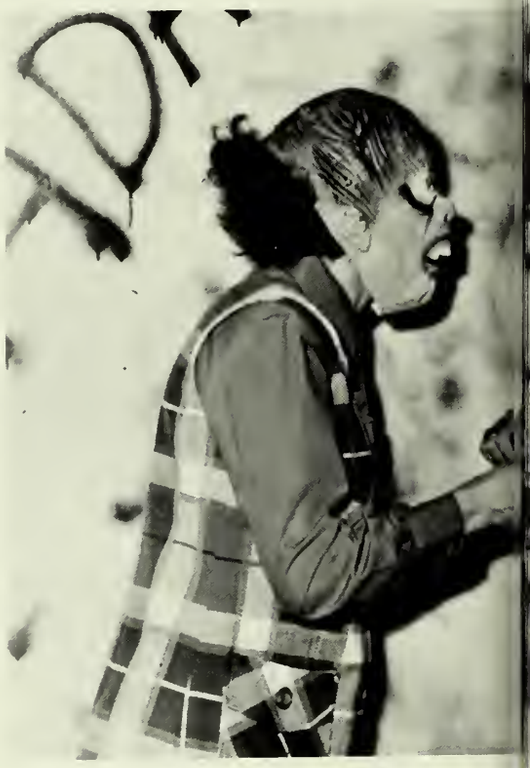
Halloween Party Looks To The Future With Glimpses Of Life In The Year 2525

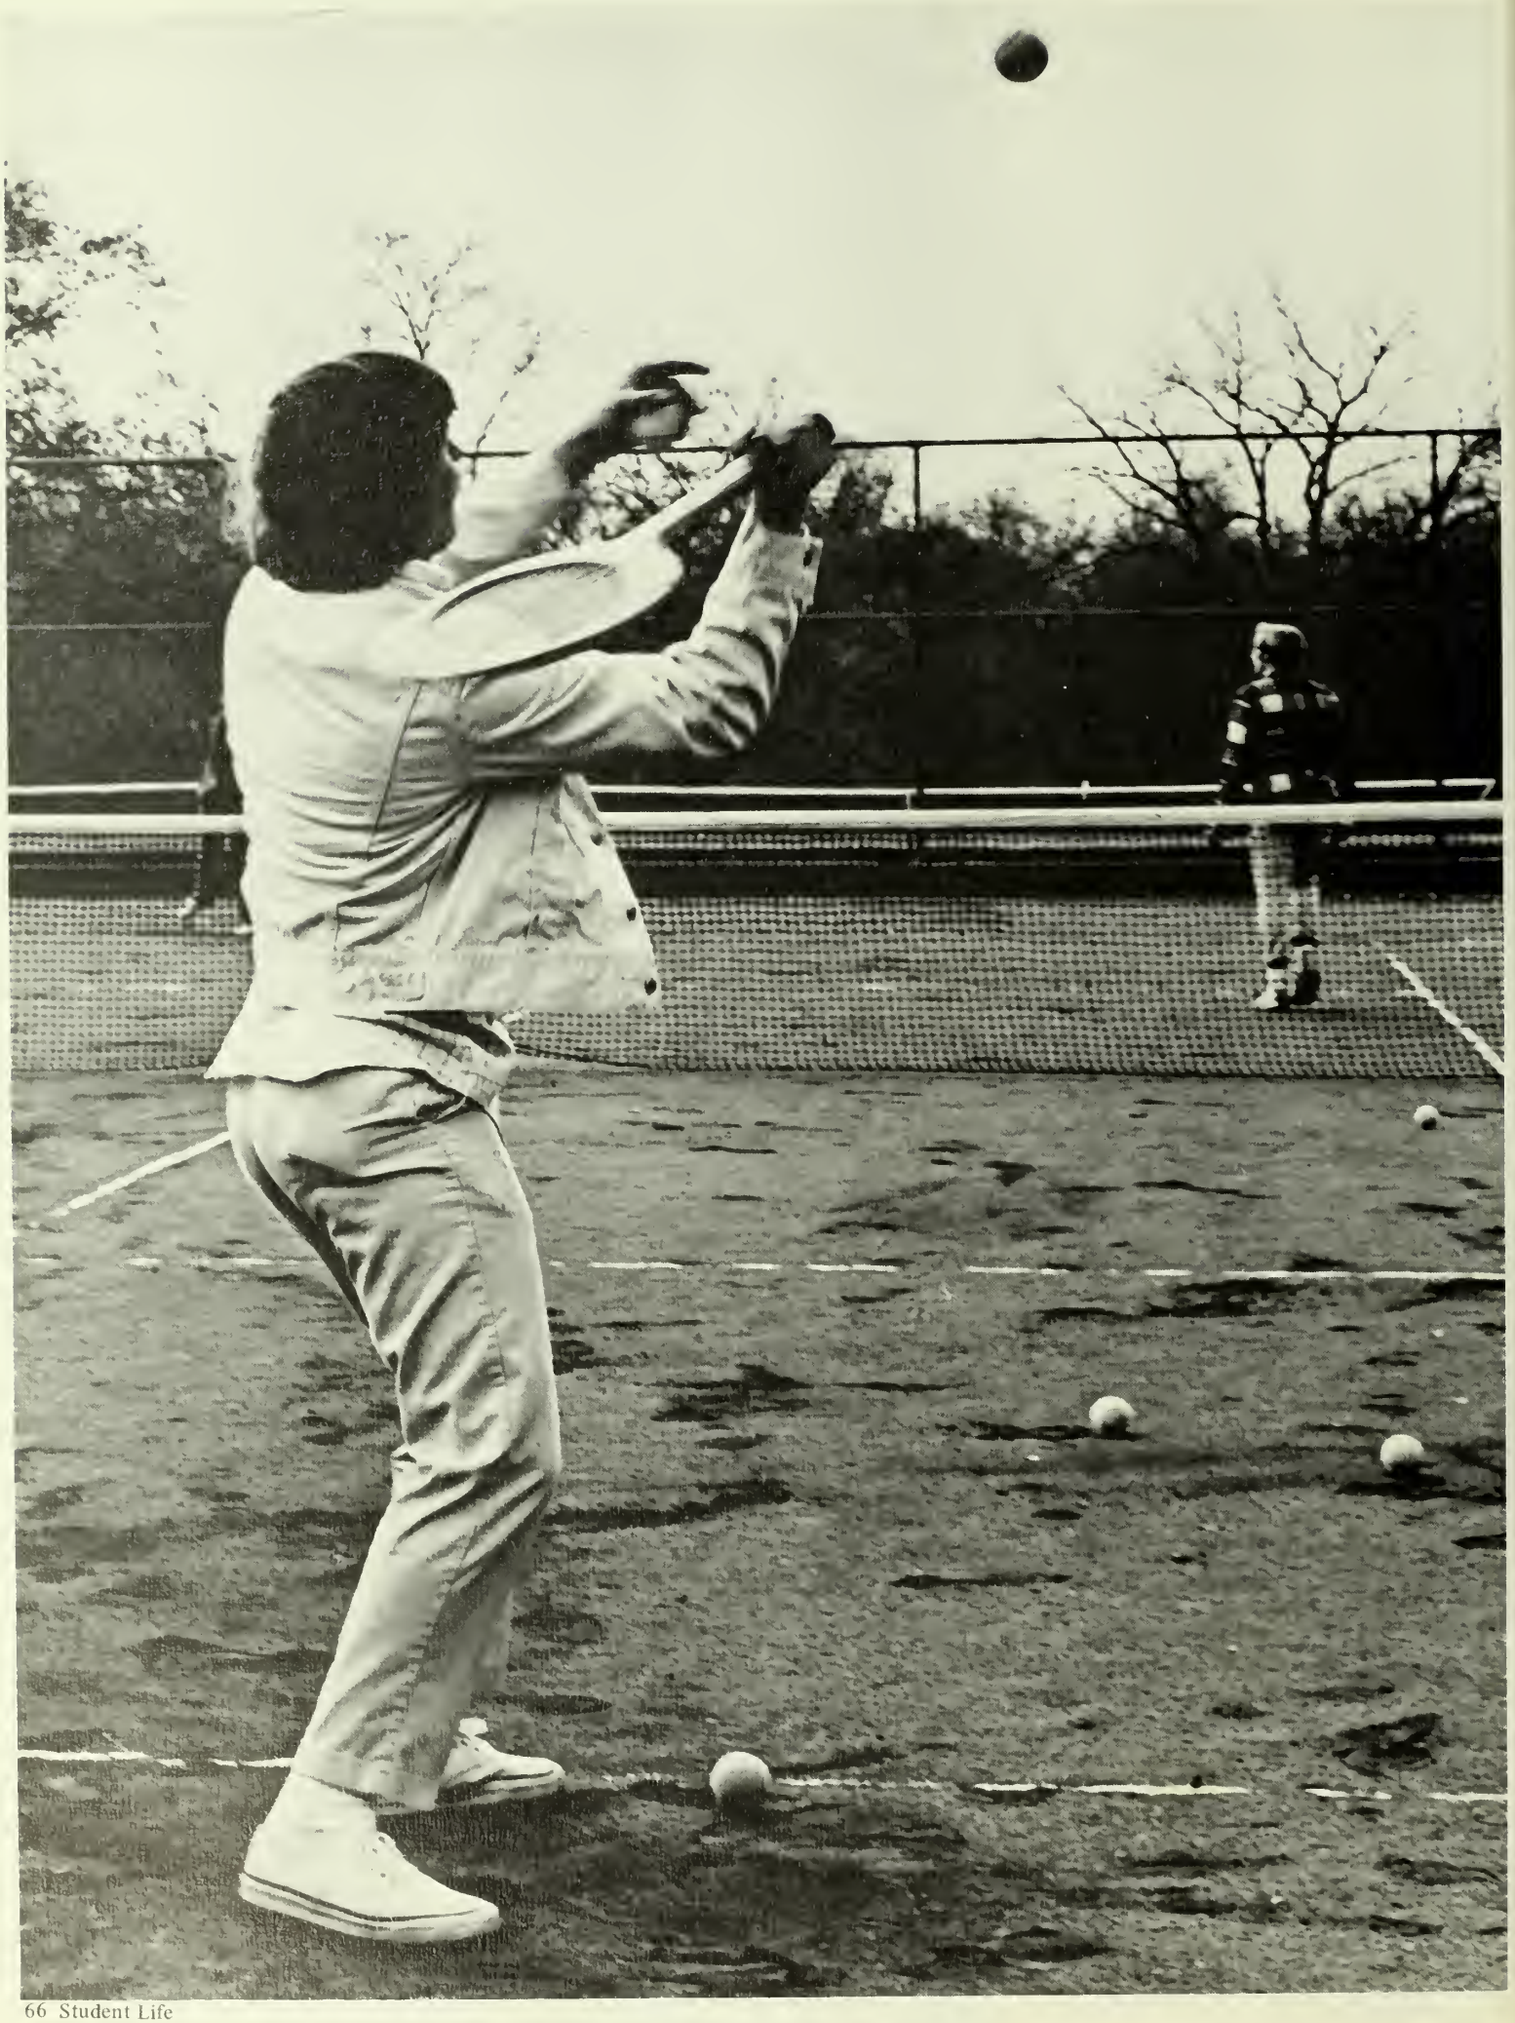


Left: Alas, poor Jason, time has not been kind to thee.

"Glimpses of life in the year 2525" was the Junior Class's version of the annual Halloween party. The whole episode started out wrong when the three "astrojans" set sail for the moon and ended up slipping through a time warp into the year 2525. These are a few shots of the happy times in that future day as our "astrojans" probably saw them . . . .

A touch of this and a touch of that . . .

Above: "Ron," she whispered, "is this the nicest restaurant you could find?" Right: In 2525 you get to pick your own time to die, but isn't taking a number and waiting your own turn going a bit too far?



An Old-Fashioned Christmas

An old-fashioned Christmas was the assignment of the Freshmen Class. The assignment due on December 2 was an evening packed full of fun and exciting entertainment. For such an enjoyable party they deserve an excellent grade.

College Hill Annex was transformed into a room filled with bright Christmas cheer that made every heart feel the glow of the wonderous Christmas season. Santa was there with his helpers and presents, too—gifts for the deans and the presidents. Even Coach Green received a Christmas tree compliments of the Freshmen Class. The Pickerings, Jody Ray, Roy DeSha, and a band all helped with the entertainment for the evening. The freshmen although the youngest class, provided spirit quite old and enjoyed by all.

Far Left (top to bottom): Santa's helpers Cindy Hatley and Terry Langford chat until their time to help Santa. The student body and the faculty joined together to present the Moore's with a portable television. Jody Ray and Roy DeSha entertain with songs. Students sit around on the floor and enjoy the old-fashion spirit of Christmas. Santa and his helpers, Carol Digby and Gail Dent prepare to do their job for the evening. To the nearer left the Pickerings entertain. Below, Coach Green "expresses his appreciation" for the "Lovely" tree presented to him by David Middendorf.

Sports Events Contribute Much To Campus Life.

One of the projects of the Senior Class was to sponsor a basketball game with WKDA F.M.'s disk jockeys going against the Trevecca faculty members. The game was an amusing one with the score ending in a tie, although WKDA had help from the score table. Other events connected with sports include our intercollegiate teams in basketball, baseball, and golf. Intermural basketball and football provide events in which students may enjoy a time of relaxation. The annual tug-of-war is an annual event with Belmont during half time at one of the games. This year's event ended in a broken rope. Many TNC weekends are focused around sports events.

Coach Chet Foraker led the Trojans to a conference title in his first year at TNC. His ability to spur the team to victory is deeply appreciated. Not only is the team great but he's great too! This is evident in his new title, "Coach of the Year 1971-1972," which was bestowed upon him by the Southern Christian Athletic Conference.

Barda Borgak

OUR PRESIDENT

Yesterday my plane lifted off the rain-drenched runway. It bounced through the gray fog-filled skies, then broke into the dazzling splendor of a bright sunlit world to glide smoothly above the soft fleecy clouds below.

How like life! During college days the dreary pressures often crowd in and life can be too much with us. The storms of life can cause the strong to become discouraged—despondent—cynical—and ultimatley defeated. Jesus foretold a time when, "Men's courage will fail completely as they realize what is threatening the world." Yet, He promises a way out. "When these things begin to come to pass . . . look up and lift up your heads; for your redemption draweth nigh."

If during these years in Trevecca together we have learned that the rain-drenched runways of life can be difficult; but through and beyond the gray fog-filled skies—there is God—that He is very much with us—then college with all its costs, has been worth it.

I think I have learned more about life and God. I believe you have too. I trust you will always allow Him to be to you all you need. God is always near whether in sunshine or storm. It is up to each of us to continually recognize His presence.

1 Samuel 7:12

The Tennessee District will observe its 60th Anniversary on September 3, 1972, in conjunction with the District Assembly in Nashville.

Support for Trevecca predates the establishment of the Church of the Nazarene in Tennessee. Hand in hand, the two institutions - the Church and the College - have worked for the good of mankind.

A new era is before us. Our continued association will enrich the lives of many.

creativity

It is a flair, a feeling, a matter of taste. It is a willingness to reject the first take or the tenth, to ask for another sketch, or to reshoot a photograph. It is understanding what the artist is trying to say and how an album can best express it. It is a conviction that a sacred album deserves careful attention from selection of the songs to final remixing and editing. It is a touch of extravagance in selecting materials and suppliers.

It is a way of life at Benson.

THE LAST WORD

We have landed. This flight has ended with memories that will never be forgotten and dreams which can not die. We can now only look to the future flights and keep these dreams burning brightly as we press onward and forward to our highest goals.

The DARDA has recorded permanently as many memories of this high flight as possible. But treasure your memories as an abundance of intangible resources that have helped you through this journey of life and that will help you in your travels down life's road.

IN APPRECIATION

These words of appreciation are a token of gratitude for you who have helped to make this 48th volume of the DARDA possible. We the DARDA staff express our thanks to:

The mother of the late John Gillespie Magee, Jr. and W.C.C. Publishing Co., Inc. for permission to use the poem "High Flight" by Pilot-officer John Gillespie Magee, Jr., RCAF.

Mr. Don Alsop and Eastern Airlines for furnishing us with pictures used in this book.

Mrs. Paulette Janaway for her ideas and assistance with the cover design.

Ray Couey for his many long hours and excellent photography.

Mr. Howard Wall, sponsor, for his assistance and advice.

Sharon Maze and Bob Garber who have served as co-business managers.

The author of the poem "Brotherhood" used on the dedication page. We were unable to learn his name.

To all the DARDA staff a special word should be given. They have given of their time and talents to complete the 1972 DARDA. Thank you staff for an excellent job.
